

Hi-therm+
LINTELS

IG has redefined lintel performance with Hi-therm+, designed to exceed the thermal requirements in forthcoming building regulations. Hi-therm+ is supported by an advanced technical service package.

STANDARD LINTELS

IG produces a wide range of standard galvanized steel and stainless steel lintels. All IG standard lintels satisfy the thermal performance requirements of all UK building regulations.

STAINLESS STEEL

IG's full range of lintels are also available in stainless steel, providing the same high quality and performance features as our standard galvanized lintels.

SPECIAL LINTELS

IG offers a complete custom design service to ensure your project has the best lintel for the job. Our technical expertise is renowned for delivering solutions with total efficiency.

BRICK FEATURE LINTELS

IG Brick Feature Lintels are one piece, prefabricated units, manufactured with factory applied brick slips. We produce BFL to order and can achieve even the most challenging architectural designs.

MASONRY SUPPORT & WINDPOST SYSTEMS

IG continues to set the standard for masonry support and windpost systems for a range of building frame configurations. The innovative Qwik-Fix angle provides a versatile solution when masonry support is required.

CAVITY TRAYS

The IG Cavity Tray presents a lightweight, simple to install and long-lasting solution to preventing damp from penetrating below the roof line.

IG
STEEL LINTELS

FREE
SCHEDULING
SERVICE

- Fast, hassle-free service
- Qualified technical engineers
- Full and accurate 'take-off'

By contacting our technical engineers at an early stage of the design process, you will potentially gain significantly more design flexibility for the overall project.
